From our President:

Thanks to all the chapter members for their hard work throughout the year. Chapters are not just the work of one person; it takes ALL our members working together. We are so blessed! May next year be greater than the last.

Please support other chapters by attending their festivals as you are able to. We may be separate chapters, but we were formed for one common purpose: to promote Cajun music and the Cajun way of life.

We had a very successful garage sale and link sale on June 17th. Items sold were donated by members and even some non-members. It was a win-win situation all the way around. Those who donated were able to clean out their closets and cabinets and we were able to add to our scholarship funds. Doesn't get any better than that!
