BONJOUR,

We enjoyed our annual members crawfish boil in May. We had a very nice turnout and a beautiful day. We enjoyed the music and want to thank our members that brought us such wonderful entertainment. It's always fun to get together and have a good time.

We had a great time at the Houma festival. The bands were good as always and enjoyed seeing our friends, not only supporting our sister chapters we look forward to the many friends we have made during the years.

Thanks for those who came out to help with cutting watermelons for our Cops and Kids day at Clayburn park. It's always a pleasure to help serve with our community and support in helping when needed.

July will be the Lake Charles festival so put on your dancing shoes, come join us and have fun. We are looking forward to having a good time.

In July, we will start nominating for officers for the new year starting in September. Anyone that wants to be involved just come to the next meeting and put your name in. We have a great club and I want to encourage you to come join us. Nominations will start next month at the July meeting, August, September and we will vote at the September meeting.

We were proud to have the recipients that received scholarships at our June meeting. We wish Makenzie Sattler and Madalyn Owens a very bright future. Makenzie is the daughter of Tony & Melissa Sattler and granddaughter of Shelley & Debbie Sattler. She was our New Dawn & also Jr. Miss Queen. Madalyn is the granddaughter of Buddy & Paula Serrette. We are very proud of these young ladies.
