### President's Corner

I don't know about you, but I have had enough of this unpredictable weather and the flu that has everyone suffering so much. And the perfect cure for both of these conditions can be found at all of the upcoming Cajun Music Festivals – Cajun French Music and dancing! Be sure to check the schedule of festivals inside the front cover and the details on the Chapter pages.

Each Chapter works very hard to host their annual festivals and use the proceeds to support their efforts to promote and preserve the Cajun Culture throughout the year. Please make a sincere effort to attend these festivals and help your sister chapters. Everyone who attends these festivals always has a great time not only listening to amazing Cajun French music and dancing, but also visiting with friends that they have not seen in a while. Memories are shared and new memories are made!
