**HOPE EVERYONE IS HAPPY AND HEALTHY**

Please try to increase our membership by asking your friends and relatives to come and join our chapter. Without membership we have no chapter. Please try to attend all meetings and let the officers know what bands you want to here, so we can book them. We are down to 60 families compared to 84 last year. I am trying to keep this chapter afloat and looking for donations in all directions. Please help officers of your chapter keep this chapter going.

Try to attend other CFMA chapter festivals listed on bi-monthly newsletter cover and they will in return try to attend ours. Our festival will be September 16, 2017 at La Louisiane Banquet Hall, and no monthly meeting will be held in September. Please try to solicit donations and or sponsors and make our festival a success and raise enough money so we can continue having our monthly meetings (with catering) as we so enjoy.

All suggestions are welcome for bands for each month and festival. Don't be silent if you want to hear a band, let us know and we can book them.

I would like to have volunteers at each meeting to collect at door. Anyone is welcome to attend board meetings if you would like. Let's make decisions together as a chapter.

**Thanks and Merci beau coupe – Fred Romero President**
